

INSTRUCTION FOR AUTHORS IN POSTER SESSIONS

Welcome to all poster presenters! Please carefully follow these guidelines to ensure a smooth and successful presentation:

1. Poster Presenter Registration and Attendance Requirements

- Poster presenters are expected to register with a paid registration fee and to attend the Conference in person.

2. Poster Dimensions

- Your poster should be A0 format - 84.1 cm width x 118.9 cm long. Please ensure these dimensions are adhered to, as display boards are designed to accommodate this size.

3. Presentation Setup

- Each presenter has been assigned a specific session for displaying their poster, either on Wednesday or Thursday in one hour slot – please check the link for the correct date <https://conu2024.com/wp-content/uploads/2024/11/Program-CONU2024.pdf>
- Please bring your printed poster with you to the Congress. Onsite printing will not be available.
- You'll be provided with materials to mount your poster to the display board.

4. Poster Design Recommendations

- Use a font size that is readable from a distance (at least 24-28 pt for body text).
- Clearly label each section, and ensure your main points and conclusions are easy to locate.
- Use visuals effectively, such as charts, graphs, or images, to support your content.

5. Poster Session Moderation and Author Interaction

- Poster presenters are expected to stand beside their posters during the Poster Session. The moderators of the Poster session will visit all posters and discuss them with the authors.

6. Poster Removal

- Posters should be removed by the end of your allocated session or day. Any posters left behind may be discarded.

Thank you for your cooperation, and we look forward to your presentation at CONU2024!
